## OUR VOLUNTEER TEAM

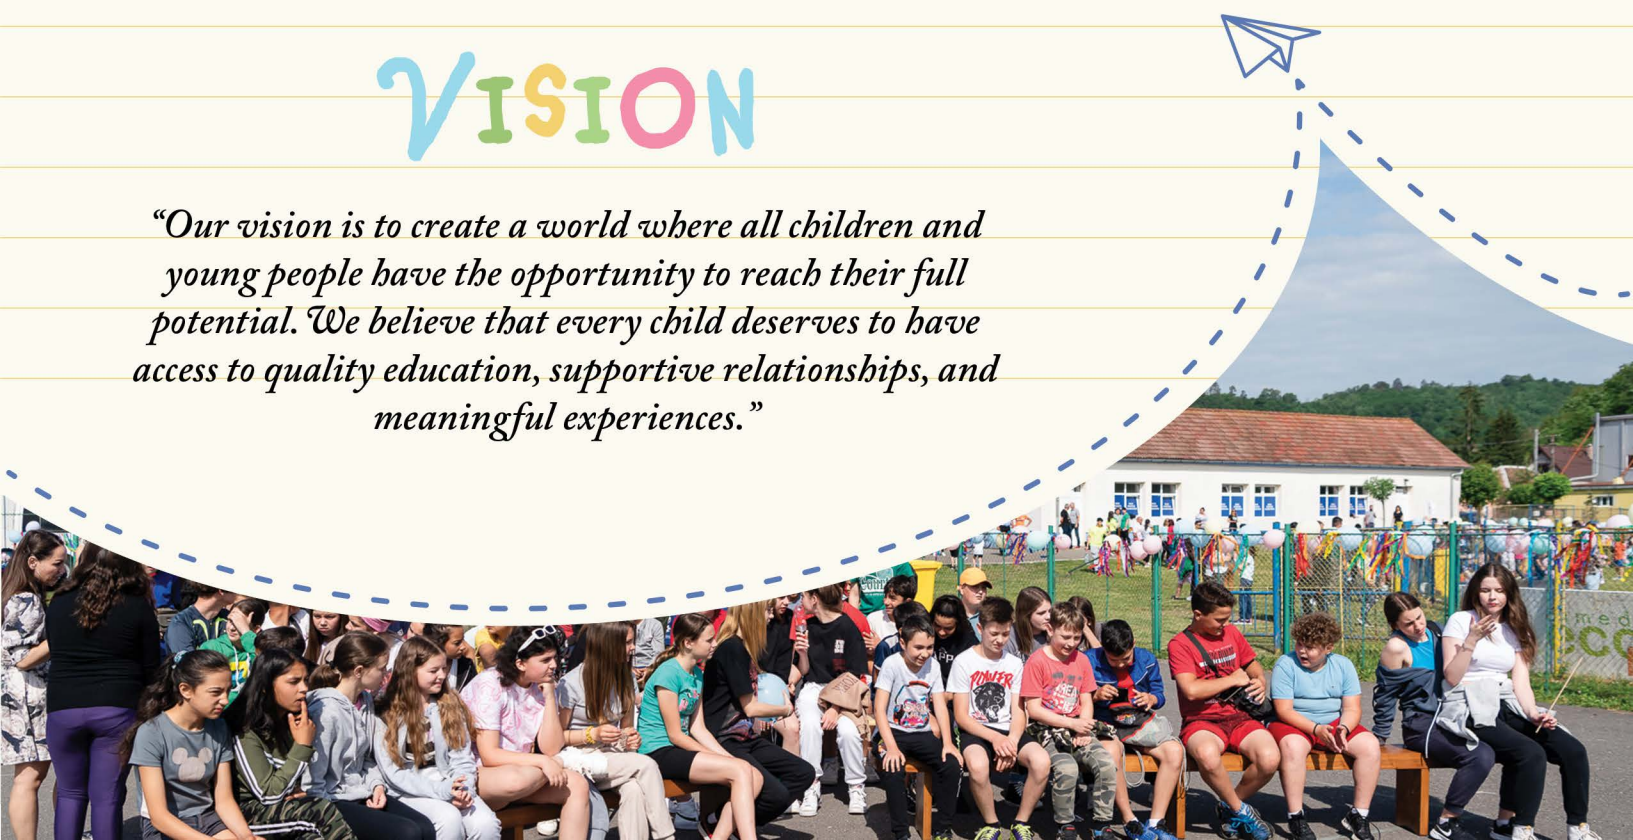

# CONSTITUTION & SCOPE

## MISSION STATEMENT

- ♥ The main goal of the Association is to provide children and young people with opportunities for learning, growth and development through organized events and activities. The Association focuses on providing support and assistance to children in difficult situations, as well as promoting positive values and skills development. Among the activities organized by the association are educational workshops, recreational and sports activities, mentoring and counseling, trips and events with social and charitable purposes.
- ♥ The secondary purpose of the Association is to provide assistance and support to people who face significant problems in accessing necessary medical care and/or who face financial difficulties due to medical expenses.
- ♥ The ultimate goal is to contribute to the harmonious growth and development of children and young people, as well as helping people with medical and financial problems in the community.

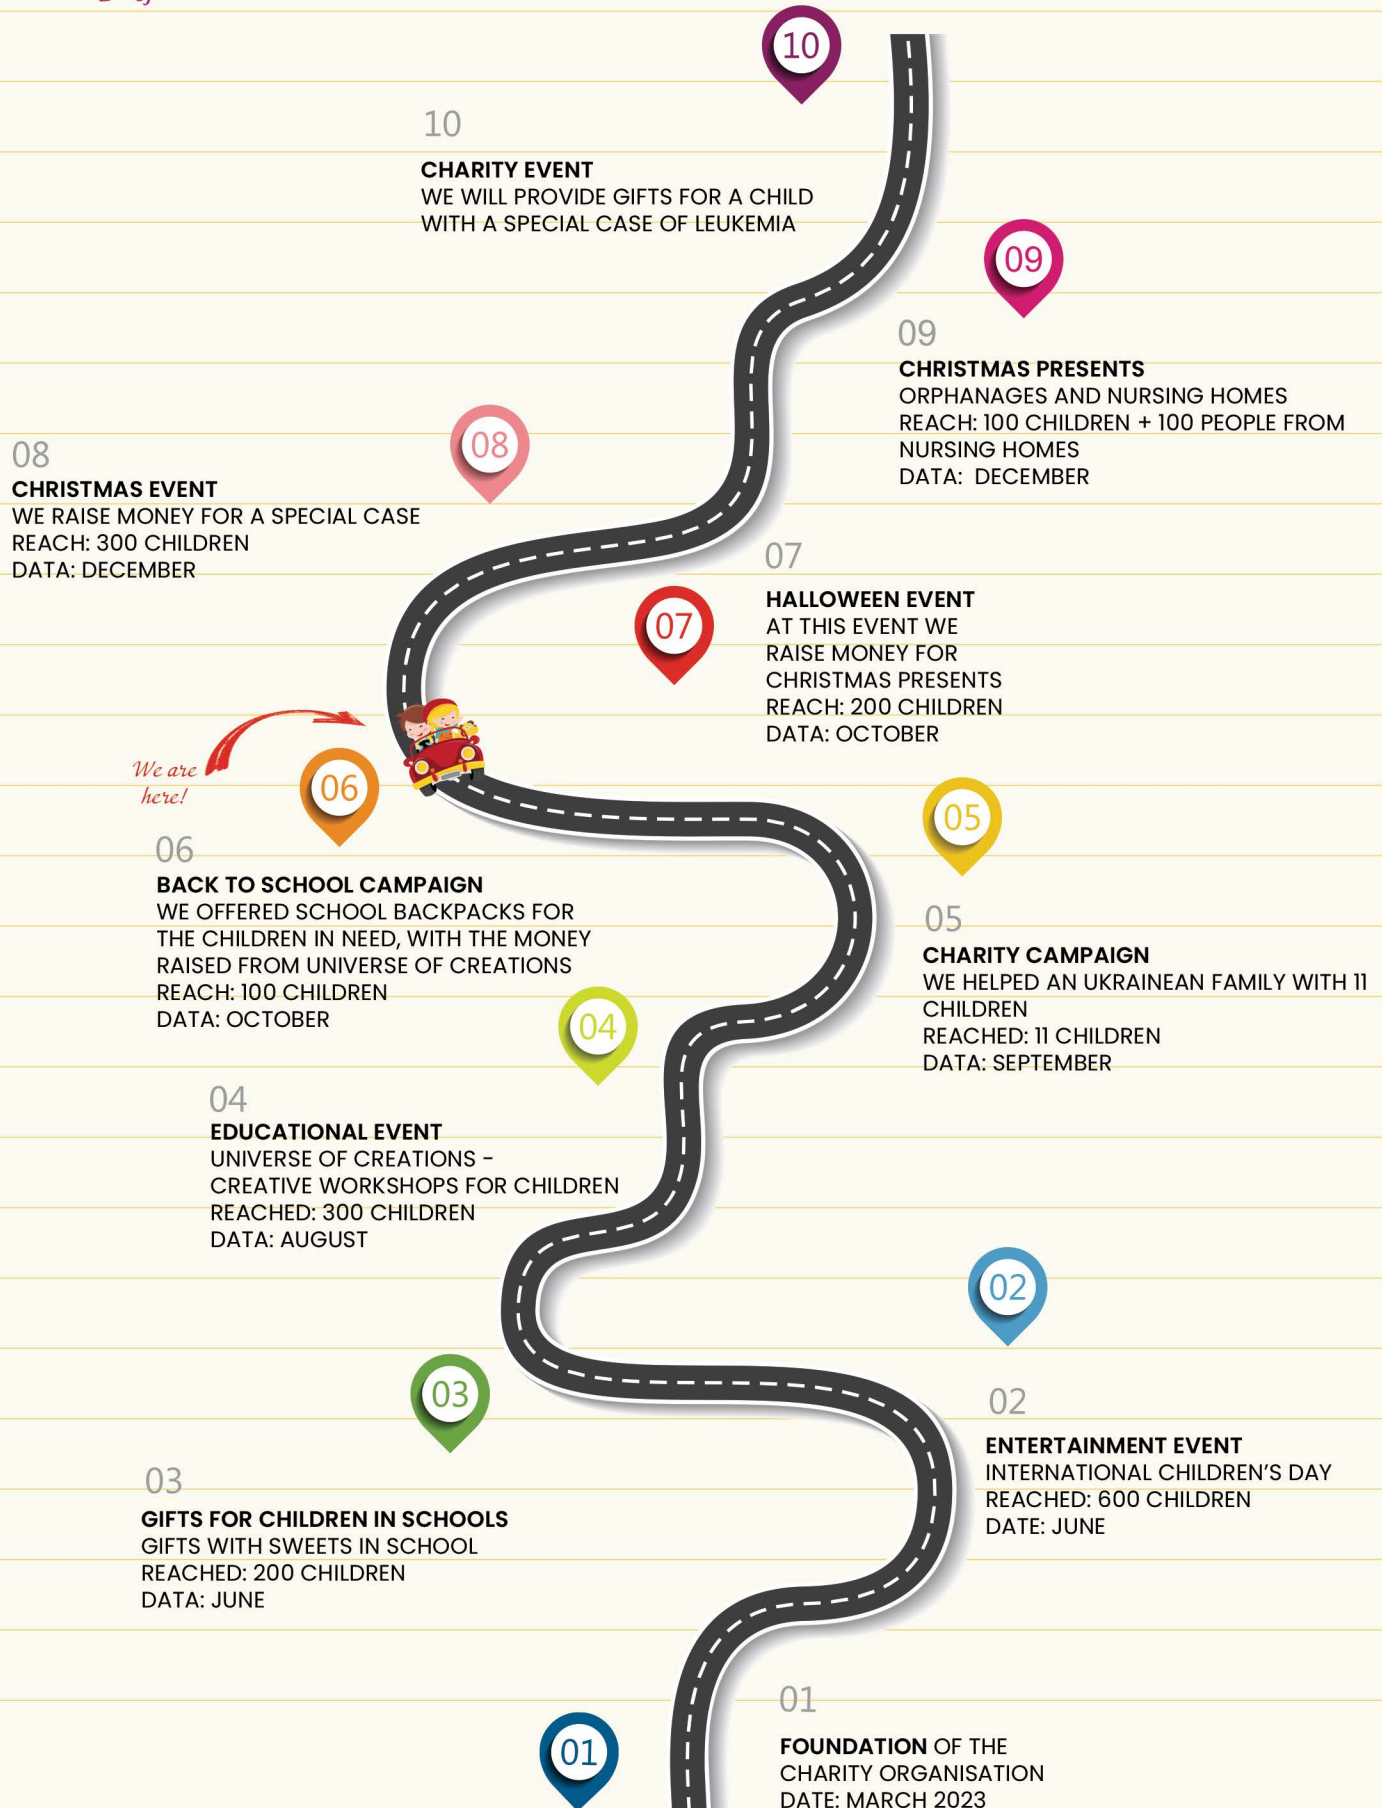

## VISION

*“Our vision is to create a world where all children and young people have the opportunity to reach their full potential. We believe that every child deserves to have access to quality education, supportive relationships, and meaningful experiences.”*

# GOALS

## YEAR 2024 -2026

- 1. Launch Core Programs:** Begin implementing the core programs, such as educational support, health services, or mentoring initiatives. Continuously monitor and evaluate their effectiveness.
- 2. Fundraising and Grant Writing:** Expand fundraising efforts and seek grant opportunities to secure sustainable funding for your programs.
- 3. Partnerships and Collaborations:** Collaborate with other nonprofits, government agencies, schools, and community organizations to leverage resources and expand our reach.
- 4. Monitoring and Impact Assessment:** Develop systems to track the impact of our programs. Use data to improve program effectiveness and report outcomes to stakeholders.
- 5. Awareness Campaigns:** Increase public awareness of our charity's mission and accomplishments through media campaigns, social media, and community events.

## YEAR 2026 -2028

- 1. Scale Successful Programs:** If certain programs have proven successful, scaling them to reach a larger audience or expanding into new regions.
- 2. Diversify Revenue Streams:** Explore additional revenue streams, such as merchandise sales, partnerships with local businesses, or fee-based services that align with our mission.
- 3. Long-Term Sustainability:** Focus on achieving long-term financial sustainability through endowment funds, planned giving campaigns, and recurring donor programs.
- 4. Advocacy and Policy:** Advocate for policies and changes that benefit children and align with our charity's mission. Engage with lawmakers and community leaders.
